- (Only relevant to UL candidates)

Practice Questions

HPAT Practice Questions (400+)

Sets of practice questions which have been broken down into manageable chunks to allow students to approach them in multiple study sessions. This material has been developed by our expert tutors with fully worked solutions so students can learn from their mistakes as they work through the course.

Section 1:

- 120 Questions and fully worked solutions. The equivalent of approximately 3 official test papers for this section.

Section 2:

- 120 Questions and fully worked solutions. The equivalent of approximately 3 official test papers for this section.

Section 3:

- 180 Questions and fully worked solutions. The equivalent of approximately 6 official test papers for this section.

Mock Exam

Mock Exam (2.5hrs)

The mock exam is 2.5 hours and students can request a percentile score following their completion of the mock exam if they would like to understand how they have performed in relation to their peers.

- Full length mock exam that students can complete at a time that suits their schedule

- Following this there are over 6 hours of video lessons detailing the solutions to the mock exam so students can get a very clear understanding of any questions they struggled with and adjust their revision plans accordingly ahead of the official exam.
